

my dearest rose i love you so much and i am going to miss you xem and i already did and may you please never forget me and give your feelings to another person or lose your feelings coz i am far away from you. i hope we could work out and distance won't be the issue for you coz on my side i already know that it won't i will still love you the same.

And i pray that everything i wanted in life ndi tshi zwi wana which include you.

i pray that i am the right partner for, even if i am not may God please make it so coz you are the only girl i want in this world for of many.

i pray that ndi kone umu takadza throw our entire lives and by only me not nga munwe munna .

i wanna achieve everything in life with you on it, i need you bbe. you mean so much to me, i don't how but i wish i could sure you wat is inside my heart how much i love you and you mean to me.

i love you my rose

and can you at least promise me couple things:

that i won't be replaced ,

you won't lose feelings and move on

And i will be the only one.
